## Ried **SCHRECK 1.ÖTW**

KREMSTAL<sub>DAC</sub>

Riesling 2023

*One of the steepest cultivated vineyards in the Danube region with a breathtaking view of Krems and Göttweig. The Middle High German word "schric" denoted a crack. A reference to this striking cut in the landscape. The topsoil is extremely poor and therefore made for mineral Rieslings.*

### Weingut Stadt Kreams

As one of the oldest wine estates of Austria, the Weingut Stadt Kreams can be described as rich in tradition with good reason. The historical roots can be traced back to the year 1210. The city of Kreams has owned vineyards since 1452.

The traditional varieties Grüner Veltliner and Riesling grow on a total of 40 hectares of vineyards. Authentic wines with precise varietal styles are the declared goal of Fritz Miesbauer, who has been managing the winery since 2003.
